

# INSPECTOR TRAINING

**2017**

# ETHICS

**Giving medical advice?**

**Should you give fight advice?**

**If you are related to a contestant on the card, should work that event?**

**Should you work an event if someone you train with is on the card?**

# **SOCIAL MEDIA**

**Social Media is not PRIVATE!**

**Do not post to social media about a controversial fight or bout-it could be shared to any social media outlet**

**Keep your opinions to yourself. When it goes on public media, it's there forever**

**Do not talk to the press EVER!**

# DRESS CODE

**Commission shirt or jacket**

**Black slacks**

**Comfortable shoes-no heels**

# FAVORITISM

**Treat everyone (Fighters, Officials, Promoters, Co-Workers, Event Staff) with the same amount of respect**

**Showing even one person favoritism can tip the scale, more times than not, not in your favor**

# **INSPECTOR NO'S!!**

**Asking to be assigned to a show**

**Asking for free tickets**

**Bringing your children**

**Taking pictures with fighters, corners, coaches or celebrities**

**Asking for free merchandise**

**Using alcohol before or during an event**

**Using smokeless tobacco, cigarettes, or e-cigs**

**You are at work, not here to be a fan or get free things!**

# NO'S!

# EVENT DAY

**Arrive on time-in my mind that means 15 minutes early**

**Be ready to work**

**Be prepared for a long night**

# HANDWRAPS

A boxing hand wrap will look thicker, go further over the knuckles and extend down the forearm further than an MMA wrap

# HANDWRAPS

A MMA wrap will not use as much gauze, it can't cover the webbing of the fingers and it will only extend a few inches past the wrist.

# **HANDWRAPS**

**You are there to watch hands being wrapped**

**You are checking to ensure only approved tape and gauze is being used**

**That the wrap is within the legal allowable**

**Nothing is being done to manipulate the wrap**

# **ACTING AS AN OBSERVER**

**You need to go the dressing room side that you are assigned to**

**and introduce yourself**

**Get the names of the seconds that will be in the corner**

**Walk out with the seconds and corners**

**Enter the ring/cage at the beginning of the bout and in between rounds**

**Make sure the seconds remain seated during rounds**

**Check to ensure that the bags have been checked**

# **ACTING AS AN OBSERVER**

**In between rounds:**

**Do not interrupt the cornerman in their minute unless you see something illegal**

**Visually check that the fighter is ok**

**Watch the seconds to ensure of no foul play**

**Advising the seconds of the 10 second mark**

**Making sure they clean their mess left in between rounds**

**Exit the ring/cage last**

# **ACTING AS AN OBSERVER**
