Updates

Upgrade to suspension system

Categorized Suspensions

- ▶ After last year's convention, we created the ability to categorize a suspension to better protect athletes competing in multiple sports and better organize the suspension system
- ▶ When issuing a suspension, the following categories are available: Medical, Administrative, Local, USADA, Boxing, and Other Combat Sport
- ▶ Our data team will record suspensions, but not results, from any combat sport. Commissions are able and allowed to record suspensions from any combat sport as well.
