Summary of Improvements to ABC Database

- ▶ Weight Tracking of athletes
- ▶ Medical Requirements Tracking
- ▶ Categorized suspensions and addition of different types of suspensions
- ▶ Mobile-Friendly version of ABC website
- ▶ MMA (SI) Severity Index

Changes in current Fee Structure

- ▶ Currently all promoters are charged a \$100 flat fee for adding the event to the official database
- ▶ New structure will be determined by number of bouts on the card, at \$15 per bout. For example, Promoter has 10 bouts on a card and the fee will be $\$15 \times 8 \text{ fights} = \120 .
- ▶ With the recognition that some promoters have almost 20 bouts per card, this new fee structure will reach a cap at \$195 per event.

New addition to Fee Structure

- ▶ Promoters that are broadcasting their events on television or a streaming service are required to pay an additional \$100 fee for Broadcast/streaming fee.
- ▶ \$50 of the fee will go to the record keeper, and the other \$50 will go directly to the ABC. This will be built into the new promoter website that is being updated.
