

COLUMBUS DAY / INDIGENOUS PEOPLES' DAY

RIVAL USA IS GIVING BACK TO CHARITY

HONOURING OUR HOMETOWN

We're Donating 15% of This Weekend's Online Sales

On October 1, 2017, the worst mass shooting in US history happened in our home town of Las Vegas, NV.

Since that horrific event, every Columbus Day / Indigenous Peoples' Day weekend, we have donated 15% of our on-line retail sales to charity.

In continuing to respect that commitment, this year we have chosen The Retired Fighter Charitable Fund managed by the Association of Boxing Commissions and Combative Sports.

This fund was set up by the ABC to help boxers who have given their all to the sport and have nothing left to give. We do this to honour our sport and to honour our great city.

Please pass this on to anyone you know planning on purchasing boxing equipment, because that purchase can help a fellow boxer in need.
